Education Background

Madhyamik Vidyalaya Juwathi

• SSC Done With **91.40%**

Navajeevan Highschool And junior College Rajapur

hsc - Science Done with 83.00%

Datta Meghe College Of Engineering -

Airoli

Bachelor of Engineering - computer Engineering

SEM 1 - **10.00** || SEM 2 - **8.70** SEM 3 - **8.17** || SEM 4 - **8.50**

Achievements

- participated in Coding Premier league
- SSC Topper

Soft Skills

- leadership
 - P Smart And Hard work
 cision communications

About Me

I am a motivated MERN Stack Web Developer currently interning at Weby Appy Digital Partners in Mumbai-Dombivli (W). Pursuing a degree in Computer Engineering at DMCE-Airoli, I actively contribute to the CSI-DMCE Tech and Development Team. My passion for enhancing coding skills is evident through developing full-stack projects and clones.

Professional Experience

Tech Team Member At CSI - DMCE july/2023 - Present

- Communicated clearly with web development teams, ascertaining daily tasks and completing to exact direction
- ."I developed a website for the college festival called
 Technitude."

MERN-stack Intern At - WebyAppy Digital Partners january/2024 - Present

• During my internship at Weby Appy Digital Partners, I consistently communicated effectively with web development teams, ensuring clarity on daily tasks and completing them precisely as directed.

Projects

🜐 🔹 Learning Management System -

MERN-based Learning Management System with robust sign-up/login features. Admin can manage courses and lectures (CRUD operations), while users access lectures with a one-year subscription.

• NetFlix Clone -

React-based Netflix clone with signup, signin, and login functionalities. Backend powered by Firebase for seamless user data storage and management.

• Flip-Kart Clone

Full-stack Flipkart clone featuring account creation, login, and seamless shopping experience with add-to-cart functionality.

• portfolio -

My portfolio, which is made in HTML, CSS , JS

• Blog Website-

Harness the power of MERN stack with our intuitive blogging platform. Seamlessly create, manage, and share your content while leveraging the latest in web development technology.

Quick Decision • communications
